**NOTES**

- This is a sample program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
- Students are strongly advised to work with an academic counselor to create an individualized degree plan.
- Students who receive credit for courses taken prior to matriculation may be able to reduce their courseload or avoid taking summer classes if they have enough elective units to graduate.
- This plan assumes that the student has satisfied all UC requirements, completed at least 3 years of language other than English in high school, and entered UCI with 0 transferable units (i.e., community college, AP/IB).
