Minor in Psychology and Social Behavior (PSB)*

Minor in Urban & Regional Planning (URP)

Requirements:

Minors in CLS and PSB require the three Social Ecology introductory courses (Environ E8, Crm/Law C7, and Psy Beh 9) in addition to specific upper-division courses. ED, EPH, URP, and US have specific requirements. See the "Minor Requirements Checksheet" on the reverse of this flyer for requirements for all five minors.

Certification of Minor:

Minor Certification is performed upon completion of the undergraduate degree and is conferred by the department (school) in which the student is completing a major. Please see your Undergraduate Counseling Office about questions concerning approved or acceptable courses for the minor, aside from the listed courses.

Minors are not able to enroll in upper-division Social Ecology courses with the "L" or "N" restriction via WebReg. If classes are not full during the adjustment window, the major restrictions are typically lifted. You may try adding via Web Reg at that time.

Note:

- Upper-division courses that are used to complete any major requirements **within** the School of Social Ecology **MAY NOT** be applied to either the PSB or CLS minor requirements.
- A **maximum of three courses** may be counted toward both the *minor* in ED and the *majors* in EAD or SE (Gen).
- A **maximum of three courses** may be counted toward both the *minor* in URP and the *major* in either EAD or SE.
- A **maximum of two courses** may be counted toward both the minor in US and the minors in URP, ED, or SE.
