- This is a sample program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
- Students are strongly advised to work with an academic counselor to determine a personal program plan.
- Students who receive credit for courses taken prior to matriculation may be able to reduce their courseload or avoid taking summer classes if they have enough elective units to graduate.
- Students may choose to complete a GE Cluster to satisfy 5 requirements (4 GE's and Writing II) with 3 classes. GE Clusters also carry Honors credit.
- This sample program plan assumes the student has completed General Education Category VI prior to starting at UCI.
