*Students may petition to have two (2) **Social Ecology 199** courses (total of 8 units) count toward upper-division major credit provided that the courses (a) were taken for a letter grade; (b) required a written term paper or research presentation at an academic conference; and (c) were taught by a Social Ecology faculty member whose name appears on a list maintained in the Office of Student Services. Students may also petition **graduate-level courses** (numbered 200-299) to fulfill upper-division major requirements.*

Graduation Requirements:

- 180 quarter units are required for the Bachelor of Arts degree.
- UCI General Education requirement and university requirements must be fulfilled.
- UCI's Residency Requirement must be met (36 of the last 45 units must be completed at UCI).
- All courses taken to fulfill school and major requirements **must be taken for a letter grade** with the exception of SocEcol195.
- Certification for the B.A. degree is dependent upon a 2.0 GPA in the overall, school, and upper-division major requirements.

Note that students must apply for graduation by the deadline per communications from the Office of Student Services in the School of Social Ecology as graduation is not automatic. Students must apply via StudentAccess for the quarter in which they plan to graduate. Students with questions concerning graduation should meet with an academic counselor or peer advisor.
