

# A NEW ANTEATER'S GUIDE TO THE UC IGETC!

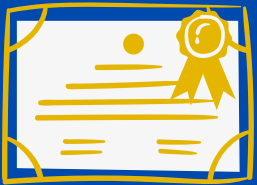

## WHAT IS AN IGETC?

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that California community college students can complete to satisfy the UCI lower division GE classes.

## IS EVERY IGETC THE SAME?

There are two types of IGETC: one for the California State University system (CSU), and one for the University of California system (UC). It is very important that you request your community college send your UC IGETC, as a CSU IGETC will not be accepted here at UCI!

## HOW DO I SEND MY IGETC TO UCI?

Contact your community college and ask them to send your UC IGETC to UCI Admissions. Once your IGETC has been sent, you need to fill out the Current Student Update Form. More information and the Current Student Update Form can be found here: <https://admissions.uci.edu/official-documents-current-students.php>.

## HAVE QUESTIONS ABOUT THE IGETC?

Social Ecology Undergraduate Advising is here to help! If you have questions about your IGETC or the transfer process, feel free to contact us or make an appointment to talk with one of our academic counselors here:
